Mrs Childs,

I would like to congratulate you, your staff and your pupils on the very high standard of achievement demonstrated in the reading, writing and mathematics Key Stage 2 assessment last year.

Your school's results, as published on 14 December, show that 95 per cent of your pupils reached or exceeded the expected standard in reading, writing and mathematics at the end of Key stage 2. This means that for achievement in reading, writing and mathematics, Sheredes Primary School is in the top 1 per cent of primary schools in the country.

The government wants to ensure that every child has the fluency in reading, writing and mathematics necessary to prepare them for a successful secondary education and beyond, which is why I was delighted to see your results.

Thank you for your work in continuing the drive towards higher academic standards, and congratulations again to you and your staff for your commitment and success.

With best wishes.

Yours sincerely,

Damian Hinds
Minister for Schools
